In this time period anyone may comment to the Commission regarding any subject over which the agency has jurisdiction. No comments will be allowed involving any subject matter scheduled for hearing, action, or discussion as part of the current agenda other than to request discussion on a specific consent item. Individuals will be limited to three minutes. No action will be taken by the Commission as a result of any item presented at this time.
5. **CONSENT ITEMS**

All items calendared as consent are considered ministerial or non-substantive and subject to single motion approval. With the concurrence of the Chair, a Commissioner may request discussion of an item on the consent calendar.

 - a) **First Quarter Budget Report for 2013-2014 (Action)**

The Commission will review a first quarter budget report for 2013-2014. The report compares budgeted versus actual transactions through one-fourth of the fiscal year. The report projects the Commission is on pace to finish with an overall operating shortfall of (\$41,468).

The Commission will consider approving a meeting calendar for the first six months for 2014. It is recommended the Commission approve regular meetings for February 3rd, April 7th, and June 2nd. This recommendation would be consistent with the Commission's recent practice of holding regular meetings every other month. No special meetings are proposed at this time.

6. **PUBLIC HEARING ITEMS**

Any member of the public may address the Commission with respect to a scheduled public hearing item. Comments should be limited to no more than five minutes unless additional time is permitted by the Chair.

 - a) **Municipal Service Review on Central County Region: Section on City of Napa**

The Commission will consider formally accepting a final report on its scheduled municipal service review on the central county region specific to the City of Napa. The section examines the availability and adequacy of municipal services provided by Napa relative to the Commission's mandates to facilitate orderly growth and development and will serve as the source document to inform a sphere of influence update. This includes making determinative statements on specific governance and service factors prescribed under law. Key substantive changes made to the report since its draft presentation in October include the addition of sections for roads and storm drainage services. The Commission will also consider adopting a resolution confirming the determinative statements in the report.

7. ACTION ITEMS

Items calendared for action do not require a public hearing before consideration by the Commission. Any member of the public may receive permission to provide comments on an item at the discretion of the Chair.

- a) **Financial Audit for Fiscal Year Ending June 30, 2013**
The Commission will review a written report from an outside consultant auditing the agency's financial statements for the 2012-2013 fiscal year. The report is being presented to the Commission to receive and file.
- b) **Consideration of the Proposed Annexation of 3174 Valley Green Lane to the Napa Sanitation District**
The Commission will consider taking action on a proposal from a landowner to annex approximately 2.2 acres of incorporated territory to Napa Sanitation District (NSD). The affected territory is located at 3174 Valley Green Lane in the City of Napa and the purpose of annexation is to establish permanent public sewer service to an existing single-family residence; a residence currently receiving public sewer from NSD through a temporary outside service extension previously approved by the Commission. Pursuant to the California Environmental Quality Act (CEQA), as Lead Agency, the Commission at its meeting of October 7, 2013 approved a negative declaration for the proposed annexation. Staff recommends the Commission adopt a resolution to approve the proposed annexation.
- c) **Appointments to the 2014-2015 Budget Committee**
The Commission will consider appointing two members to serve with the Executive Officer on the 2014-2015 Budget Committee.
- d) **Notice of Expiring Term: Regular Public Member**

- a) **Napa Pipe Update**
The Commission will receive an update regarding pending activities and planned processes for the Napa Pipe development project.
- b) **City of Napa Sphere of Influence Update**
The Commission will receive a draft report on its scheduled sphere of influence update on the City of Napa. The draft report draws on current legislative directives and adopted local policies in identifying and evaluating the merits of adding three study areas – "P," "S," and "T" – to the sphere to facilitate either future annexations or outside service extensions. The draft report concludes it would only be appropriate for the Commission to add Study Area P to Napa's sphere as part of this scheduled update.
