Agenda Item No. 5d (Consent: Information)

July 26, 2011

TO: Local Agency Formation Commission

FROM: Keene Simonds, Executive Officer
Brendon Freeman, Analyst

SUBJECT: Current and Future Proposals

The Commission will receive a report summarizing current and future proposals. The report is being presented for information. One new proposal has been submitted since the June 6, 2011 meeting.

The Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 delegates Local Agency Formation Commissions (LAFCOs) with regulatory and planning duties to coordinate the logical formation and development of local governmental agencies. This includes approving or disapproving proposals involving the formation, expansion, merger, and dissolution of cities and special districts.

A. Information

There are currently three active proposals on file with LAFCO of Napa County ("Commission"). A summary of these active proposals follows.

Garfield Lane No. 2 Annexation to Napa Sanitation District

This application has been submitted by Ralph Lippert to annex 1.3 acres of incorporated territory within the City of Napa to Napa Sanitation District. The affected territory comprises one parcel identified by the County Assessor as 038-160-034 and includes a single-family residence. Due to a failing septic system, the Napa Sanitation District recently requested and the Chair approved as allowed under policy an outside service agreement authorizing the agency to temporarily extend public sewer service to the affected territory while annexation proceedings are completed. The Commission is expected to consider ratifying the Chair's approval of the outside service agreement as part of today's meeting.

Status: The Commission will serve as lead agency for the annexation. Accordingly, staff will prepare an initial study assessing the effects of the annexation for public review and comment. Staff anticipates completing the environmental review in time for the Commission to consider the proposal at its October 3, 2011 regular meeting.

Lewis Chilton, Vice Chair
Councilmember, Town of Yountville

Bill Dodd, Chair
County of Napa Supervisor, 4th District

Brian J. Kelly, Commissioner
Representative of the General Public

Joan Bennett, Commissioner
Councilmember, City of American Canyon

Brad Wagenknecht, Commissioner
County of Napa Supervisor, 1st District

Gregory Rodeno, Alternate Commissioner
Representative of the General Public

Juliana Inman, Alternate Commissioner
Councilmember, City of Napa

Mark Luce, Alternate Commissioner
County of Napa Supervisor, 2nd District

Keene Simonds
Executive Officer

Silverado Trail/Zinfandel Lane Annexation to the City of St. Helena

The City of St. Helena proposes the annexation of approximately 100 acres of unincorporated territory located northwest of the intersection of Silverado Trail and Zinfandel Lane. The affected territory consists of one entire parcel and a portion of a second parcel, which are both owned and used by St. Helena to discharge treated wastewater from an adjacent treatment plant through a spray irrigation system. Both subject parcels are located outside the City's sphere of influence. Rather than request concurrent amendment, St. Helena is proposing only the annexation of a portion of the second parcel to ensure the affected territory is non-contiguous to its incorporated boundary and therefore eligible for annexation under Government Code Section 56742. This statute permits a city to annex non-contiguous land it owns and uses for municipal purposes without consistency with its sphere of influence. However, if sold, the statute requires the land be automatically detached. The two subject parcels are identified by the County Assessor as 030-240-017 (portion) and 030-250-018.

Status: Staff has completed its review of the proposal. St. Helena has filed a request with the Commission to delay consideration of the proposal in order to explore a separate agreement with the County to extend the current Williamson Act contract associated with the affected territory.

Formation of the Villa Berryessa Water District

This application has been submitted by Miller-Sorg Group, Inc. The applicant proposes the formation of a new special district under the California Water District Act. The purpose in forming the new special district is to provide public water and sewer services to a planned 100-lot subdivision located along the western shoreline of Lake Berryessa. A tentative subdivision map for the underlying project has already been approved by the County. The County has conditioned recording the final map on the applicants receiving written approval from the United States Bureau of Reclamation to construct an access road and intake across federal lands to receive water supplies from Lake Berryessa. Based on their own review of the project, the Bureau is requesting a governmental agency accept responsibility for the construction and perpetual operation of the water and sewer systems serving the subdivision.

Status: Staff is currently awaiting a response to an earlier request for additional information from the applicant.

There are no specific proposals expected to be submitted to the Commission in the immediate future.

B. Commission Review

The Commission is invited to discuss any of the proposals identified in this report.
