Draft Municipal Service Review: City of Napa Section

The Local Agency Formation Commission (LAFCO) of Napa County invites comments on the draft municipal service review section on the City of Napa. The draft represents LAFCO's independent evaluation of the availability and adequacy of municipal services provided by the City of Napa. This includes making determinative statements on a series of prescribed factors that include infrastructure capacities, funding needs, and alternative service delivery options as required under State law. LAFCO will use the municipal service review once completed to inform its decision-making as it relates to fulfilling its other regulatory and planning responsibilities in facilitating orderly urban growth.

Electronic copies of the draft report are available for viewing by visiting the LAFCO website's home page at www.napa.lafco.ca.gov. Hard copies are also available for viewing at the LAFCO office. Comments on the draft are welcomed through **November 8, 2013** and should be directed by e-mail to Brendon Freeman at bfreeman@napa.lafco.ca.gov. Any comments received by this date will be considered in the final document presented for Commission consideration at its December 2nd meeting.
